Denise Dalrymple

Retired CEO, Consultant, Mentor

November 5, 2009, Denise worked with Mary but they were at different companies

Mary is a brilliant thinker about public systems and how they affect children and families in both a positive and negative way. She is one of the best trainers I've ever had the pleasure of working with. She is able to leverage small resources to great impact. I would attend any training, workshop or seminar that Mary put on.
